Watch out for Winter Hazards!

Responsible Dog Owners know that winter brings special concerns for safety. Help Bailey find her way to a warm, safe place for winter.

Start!

Frozen lakes, ponds, and rivers can be dangerous: Never allow your dog to play on them.

HOME

Dogs need a warm, dry place for winter.

Even in winter, dogs need plenty of fresh water. Snow and ice are not substitutes for clean fresh water!

Warning: Anti-freeze is good for cars, but poisonous to dogs!
